Sheet No. 266

17 This is one of the insignificant Darnassianisms in the genuine story of Longuegar - There is nothing by all the accounts of 12 Apr 2000. The account of the town - The town is confirmed here - The village council of 18 April 1880. They are enjoyed as shown in the margin - The land is undivided - Pough is paid on the morning of the 18th of April - Well lands depend upon one tank - Soil is of a medium character generally - ~~For~~ Well lands are not cultivated & barren - I found the collection as of the village as 230 years - The ancestor of the person of 1880 purchased the entire village in AD 1787 for 219 1/2 from the late Narayan Posing, who purchased it previously from the person of 1880. In the same name Two Mills are on plain frozen lands - The transaction of the ancestor of the present holder of the village having purchased the village is provided by ~~one~~ one of the names of the ancestor of having been mentioned in the account of 1223 -
