- having been attested by a Monigari, that upon the enquiry was made that
 this; but it is proved by the enquiry that the Patimmar Jemadar did grant 30 -
 Pongoot in the Village of 25 Villages in Ponnagari & being there enjoying them as
 from the entry the grant (Paravady) in 1828, that upon the lands were ordered
 to be released - It is said that these lands were not granted by Muttu Vaduga
 Periya Voozha Thir (Grand Father of the Ex Jemadar) as reported by Angamuttu
 Natchigari, Son of the Patimmar Jemadar - It is proved clearly that the Patimmar
 granted the lands in question to his eldest brother's daughter Pelli Natchigari & that
 her grand son sold to Karantan Selly & Voozappa Selly & from whom the lands in this
 Village (30 Villages) fell in possession of the persons N° 38 to 41 of 1816 after passing
 several lands & that the lands are now in possession of the persons N° 38 to 41 of 1816 -
 The claim of the Rang's Father is rejected & the party is referred to the Court
 The Bill of sale executed to Karantan Selly & Voozappa Selly by Muttu Vaduga -
 Nida Thir is on a stamped paper leaf & it was registered in the Subordinate Court
 of Madras in A.D. 1852. Hence there is no ground to argue that Muttu Vadugamudha
 Thir never sold the lands - better -

Of the Mahajans of the Village, persons holding 116 Villages produced a statement & a Register
 & those holding 34 Villages produced another. The difference between these two Registers is very
 simple. In the statement produced by the holders of 34 Villages, 640 of a Village is entered in the
 names of Alagannath, whilst the holders of 116 Villages omitted it from their statement on the just
 ground that she sold it to the persons N° 5 & 6 of 1816 in A.D. 1858 with some other lands & under
 a bill of sale on a stamped paper leaf & that the land is in possession of the purchaser -
 The person N° 25 of 1816 entered in his name 1/4 Village in addition to what is registered in his name
 in the Register - He failed to prove his right to the 1/4 Village & the 1/4 Village belongs to the persons
 N° 18 to 22 of 1816 - The statement produced by the majority of the shareholders having proved to be
 a correct one & it is confirmed here - Again the holders of 34 Villages produced a Register
 & those of 116 Villages produced another. The difference between these two Registers
 are as follows -

As per Register of the shareholders of 34 shares	As per Register of the holders of 126 shares
243-25	189-18
178-92	134-96
105-28	207-06
