

This is one of the most troublesome Dermalanians. Things in this genus may be seen from the following circumstances. All Lutes in this Village depend upon the Lutes of Large size. The red of them is given as appears by the Alchagomans. The Lutes are in regard to the Lutes are given by the Lutes, which gives also the Lutes of Alchagomans, are important upon the Lutes. The Lutes are given annually. Priority of date is not felt generally. It is of a rare occurrence. The Alchagomans blacked 26 1/2, brought as words & 11 others. And as full Lutes Lutes. They say that 26 1/2 Lutes of Lutes are of long words & that they are even saying to bring them more Lutes. They will be brought now of long words.

The statement of the Mahajanams is obviously a lie - & is quite fictitious
 The Mahajanams say that half of the lands claimed as fallow lands & just now
 Glaps & the rest are 20 & 30 floss - they find it to explain to any extent the cause
 in which they found their valuation - After weighing carefully the nature of the soil & the

I frame the valuation of the Village as follows -

60 Acres of land cultivated annually once & partly 2 times } 390
 at 6 1/2 Rupees per acre
 15 Acres of land of an inferior quality at 5 Rupees per acre - 75
 15 Acres of land of less inferior quality at 3 Rupees per acre - 45
 26 1/2 Acres of land Waste & not fit for cultivation } 39
 as per statement of the Mahajanams at 1 1/2 Rupees per acre

11 1/2 Rupees }
