7th. Soil sand in the Village extends upon our Table. It is in a space but a small
 One of the lands are cultivated also & some. Soil is of superior quality and the
 Village is 20 Ropes from the sea. The soil is fair. Dog laws are not observed since the
 of the contiguous open Village is 7 Ropes from the sea. Even at the rate, the area
 stated to be by the Megapnians is high. Hence I confirm 20 Ropes as the measure
