I this is one of the Damosanum Villages in the Kanur Taluk of Sivaganga Zemindary. This was granted by the Government in 11 to the p. 13 for cultivation. This is a boundary grant. This is in usual English possession of its holders since the date of the grant. The grant is in the name of the Government. The Village is entered as 3 in the accounts of 1811 & 1814. It is not entered in any other account. This is a Village situated upon a small piece of land. The land was based. No other land about the boundaries on the part of the Village. The boundaries now inserted in the new order stated correspond to those in the accounts of 1811 & 1814. The boundaries are confirmed in the 70th and 71st Acts. These are registered here.

II The Village consists of 3 equal shares. They are enjoyed as shown in the margin. The lands are divided. Porcup is paid on the number of shares equally & permanently.
