proclamations. The Mahajanams say that the entire Village was granted to them as a reward about four Century's ago that they "prior to the permanent Settlement 16 shares out of 50 were granted to the Temple and the 34 shares in possession of the Mahajanams that out of these 34 shares 15 shares were again resumed by Maratha Government of the predecessor of the British, Zamindar previous to the permanent Settlement arbitrarily and granted some to some one as Pottam and that in the year 1804 the Government with A.D. 1801. the then Zamindar granted 9 bhatti out of 15 to the Temple and 6 to the Mahajanams. That half of the Village is in possession of the Mahajanams and the remaining half in possession of the Temple. II. In proof of the statement of the Mahajanams that 9 bhattis granted to the Temple and 6 bhattis were granted to them to solve S in A.D. 1804. they produced a document purporting to be a Patta granted to them in that year by the British Zamindar detailing the circumstance.
