The Executors of the Estate of Joseph H. B. purchased their lands in A.D. 1835 in public Auction
when they were sold by the public Auctioneer in A.D. 1835 for papers 123-7 - This is from my original papers
The said land was grand falling in the year 1836 purchased the lands entered opposite their name long
No bill paid - Enjoyment proved - All the above transactions proved to be bonafide - Enjoyment proved
It is proved by the evidence that the village is in possession of the family of the year 1836 as in long
& that they are rightful owners of the lands entered opposite their names.

The houses in this Village depend upon Tanks. They are in repair - The houses of the Village placed 28 days before
 & 30% of Dyes as fullwood tanks & the rest as waste - The result of my enquiry go to prove that there is not
 such an extensive waste in the village - One of the best known wet lands are being cultivated annually & the land
 wet & dry lands are of superior quality the average in value of the Village as per statement of the Mahajan is
 is 60 Rupees per acre. The contiguous Patta Village is Romnagole - The average value assumed of that Village is
 5734 per acre - Patta rates vary from 240 to 5736 per acre - The highest rate is charged for grazing
 In consideration of the fertility of soil & from the valuation of the Village as follows -
