Register No. 238

Sheet No. 292

1 Division of the Dharmasanams in the Zemindary of Sivaganga: This is a Devadayam grant. Tho' it is in enjoyment from the date of the grant. Though the existence of the Government is not mentioned in any account, still, it is a genuine one from its nature. The Village is supported by all the accounts. The boundaries correspond to those in the accounts. The boundaries mentioned in the Patta & those in the account of Fasl 1244 differ from those in the Patta. The persons of the adjacent villages mentioned in the account of Fasl 1244 differ to some extent, they correspond with the same meaning on the spot. The Boundaries mentioned in the accounts & those in the Patta are not-accounts of the Inam lands. As there is no ground to think on the above circumstances that the lands brought on the Register are not-situated within the proper limits of the Village, 32 acres 67 cents are confirmed here. The same is also to be found also in other Villages. The Village consists of 2 equal Shottas. Poruppu is paid on the punjai Varam-equally & permanently. The Inam is a descendant of the Original Grantee. The lands entered opposite to the person No 2 were purchased by the person No 2 in A.D 1854 for Pagodas 350 — from one Ponnamal who died 5 or 6 years ago without heirs. Ponnamal's Husband Ponnambalam Servai enjoyed the lands previously from the date of the Sale Deed of gift is on a plain Cadjan leaf. Bill of exemption on a plain Cadjan leaf.
