Register No. 1112

Sheet No. 1260

1 This is one of the Villages in the former grant of Parayanga. This was granted by whom it is not known from any of the Accounts - It appears by the traversal
- the Village with several others was granted by Mahabalaraja Raja about two centuries for the support of the Temple of the Lord Nataraja Parayanga
- Maria Madara & that this is held always by the Gurukels or worshippers of the Temple in satisfaction of their wages or salaries -
- The Rango Taluk also states that the Village is always held by the Gurukels of the Temple - Hence the village is registered in the name of the Gurukels -
- though it is entered in all the existing Accounts in the name of the Temple - which is apparently kept up -
- No talk over about the area or about the boundaries on the part of the Rango Taluk. The boundaries now inserted in the revenue statement
- correspond to the recognized limits of the Village. Hence the boundaries are confirmed here & the 109 Acre 880 Cents entered therein are registered here -
- The worshippers are punctual in their duties. The 3 Gurukels whose names are entered of 16 do their work by turns, 10 days during every month
- The boundaries of the Village are not recorded in any of the Accounts previous to this -
- The boundaries of the Village are now as per statement of the Gurukels. This is false. I raise it to 200 Acres -
- The boundaries of the Village are now as per statement of the Gurukels. This is false. I raise it to 200 Acres -
- The boundaries of the Village are now as per statement of the Gurukels. This is false. I raise it to 200 Acres -

II The average income of this village is 88 Rupees per annum. I asked the Gumbhals whether they wish to receive 88 Rupees with the reversion to the gentility of soil &c. - I said that I had made some arrangements from the Temple funds in ready money & that the only thing I had to ask was that they should consent to the same. They never consented but naturally.

Guankelo. This is false. I raise it to 200 Rupees -
to receive 68 rupees per annum, which is the average income stated to be by
themselves, from the Temple funds in ready money & leave the Village in
possession of the ~~Trustee~~ Trustees but they never consented to it naturally.
The Guankelo others did not their income ~~was~~ with the commission
the holders of the personal grants with the view of giving no clue to the
state of the adjoining Tannesman Village. The Trustee ~~was~~ is of
course willing to pay the wages of the Guankelo in ready money & to return the
Village in ~~their~~ his possession - I am of opinion that those who commu-
nity by producing such false Accounts should
be punished, though it is not within my province
