1 This is one of the Darmasanams in the zemindary of Sivagunga. This was granted [illegible] the zemindar of 11 to Narainayangar & others for subsistence. This is a hereditary grant. This is in uninterrupted possession of its holders since the date of the grant. This has no Patta. It was lost. The Village is supported by all the accounts of 1/12. No Talk ... about the Area or about the boundaries on the ... part of the Rangs Vakeel. The boundaries correspond to those in the account of F 1244. Hence the Area of 123 Acres & 20 Cents is confirmed here. This Village consists of 16 equal Vritties. They are enjoyed as shown in the margin. The lands are divided so. Poruppu is paid on the number of Vritties equally & permanently.

II .... The persons No 1 & 3 of 16 shown in the genealogical tree that they are distant relations of the person of 13 in female side. The persons ... shown in the genealogical tree is quite false & that they knows that their family are in & admitted before me at the time of the settlement that the genealogical tree is ... It is usual here to ... some one among the shareholders as a possession of the shares entered opposite to their names since long. The persons No 4-5 & 6 of 16 are said to be descendants of the ... descendants of the Orgl Grantee to establish their right of others. The persons ... accounts of A D 1786 & 1809 & 1823 that the ancestors of the persons of the Orgl Grantee. No proof to this. It is proved by the "Karanal" Accounts of ... Vritty in this Village. These Karanal Accounts are in possession of the person No 1 of 16. No 1 – 2 & 3 of 16 were then in possession of one "Vritty" in this Village. These accounts seem to be genuine ones.
