Register of Devadayam Village of Yedavakkapparyan in Amaravaty Taluq of Sivaganga Zemindary of Ramnad District

Register No. 938

Yilavalai Kuppudattan Dorai Dt 4 Oct 1864

Sheet No. 1098

I This is one of the Villages in the Zemindary of Sivaganga - This was granted for the support of the Temple of Shri Karpaka Vinayaker in the Village of Yadayanvayal - There a permanent grant No Potta - The Village is entered in all the Accounts for 12 in the Temple - No Tail nor about the area or about the boundaries on the part of the Rajas Vakeel - The boundaries now inserted in the remainder statement correspond to those in the Accounts of Fasly 1244 - Hence the boundaries are confirmed here & the 30 Acres & 65 Cents situated therein are registered here -

II The Temple is not kept up in such a state as it ought to be - The Deity is in a shattered house - The Pillayar is worshipped only once in the morning - miserably - No light is kept in the Temple - as will be seen from a Rayjeyel given by one of the Trustee - The Trustees deceased are not willing to improve the Temple - They are misappropriating a portion of the Revenues of the Village - like their brethren - However as the object of the grant is not frustrated entirely, I cannot but recommend to confirm the Village on its present tenure - I recommend at the same time to place the management of the Temple under certain respectable class of Panchayetdars -

III The average income of the Village is 130 Rupees per annum - The cost of the Village is fertile - Now the Village could yield - about 200 Rupees But on an average the income will not exceed 130 Rupees per annum - The Temple has only the Village - It has no other movements - The Temple & the Village are under the management of the Trustees from time immemorial
