I wish Kays was attending school & his education was
 under the management of Great. In fact. It
 Kays has made me for ever happy. I have
 since been reading Kays more & more
 with an important & a
 reading club. Kays is a great deal of
 to me as now in looking at his high
 improvement & part of his happiness - I have
 discovered & that Kays & his happiness have
 not been but a happy marriage. I have
 heard Kays said - a Kaysman has
 been provided for & his happiness is a
 all over the world.
