Is. is a sketch of Norwalk from as far as I can
get of 1803 & of Fresh, vision of the town.
No 20 & 220 are a copy of Norwalk:
of No 118, 36. are notes as they were taken
at the time of the ~~first~~ first of settlement or establishment
Norwich from the first & second map of the town
now also admits of just as much as can be
taken. No 2118 shall be put in paper, with
them of Norwalk, being particularly of the town.

To be signed by the
12th Sept. at 2
