Case 1. The Durumakurba and Imam Col. 2. The Durumakurba changed into Personal Imam. It does not seem proper to do so, as it was used for the Charity up to this time.

To be confirmed the fee E.D. as a Charity Epe in the name of the Imam. 13-12-69 (Signed) Janasagora Pasha

Madhapallayam

Case 1. It appears that this Durumakurba contains a Charity Epe and Temple, and that there are two Shloppa trees in the Epe the proceeds of which are appropriated for the Pagoda by the village who have a Durumakurba (Common) (Putta for them) (the trees) in their names from a long time.

It is now impossible to determine how the village obtained the Putta for these two Shloppa trees only when the Epe on the temple land contained 50 trees.

To this is "Charity Epe". I recommend it be confirmed the fee E.D. in the name of the Durumakurba. Also to cancel the Putta for the 2 trees also. 13-12-69 (Signed) Janasagora Pasha

 Col. 21. The Papra is the Papra of the present
 in time and as the Papra in it was not
 prepared many years since, it does not
 appear that the Papra is in any way
 useful to the Papra. It is known that
 the Papra is enjoyed by the Village Council.
 It is in the open ground and of the village
 close to the Park & it is very useful
 both to the passengers and cattle.

To be confirmed for the P.D. as a
 Clarif. of the Papra. It is very useful
 to the P.D. as a Clarif. of the Papra.

 in this land. It appears that the
 Papra has been the flower-garden
 but it is not clear in the present
 in it was discontinued long before. It
 It also appears that the people of
 the P.D. are in the present. This case was
 I think and as it seems unnecessary
 to bring it under the settlement.

 entered as flower-garden
 in the present. It is still continuing to be a flower-
 garden for the use of the Papra.
