 This Top is under dispute
 between Appasara
 Naiken and Ayas
 Naiken on one side
 and Soolbayan & others
 on the other. The former
 say that the Top was
 under their protection
 and that their names
 should be registered
 as Dama karta for it.
 The latter say that as the
 Top is in the land of
 the villagers in general
 Title Deed should be
 granted in the names
 of the village community.
 As the villagers are
 divided into two parties
 it is impossible to de
 mine the Dama karta
 unless some enquiry is
 made into the matter.
 Therefore if the Title Deed
 is prepared in the name
 of the Dama karta it
 could be delivered to the
 proper person after the
 enquiry is made.
