## General Remark

In all the Villages of the Arcot Taluq with the exception of those which formed a portion of the late Kanchi Taluq, the Inams were classified and assessed in F 1212. The extent entered in this Register is according to the survey made by Mr. Nisbet in F 1236 and the rates of assessment shewn are those according to the revised scale introduced by Mr. Bambury in F 1267 on the Govt. lands. These rates have invariably been applied to Inams which have reverted to Govt. on lapses since the revision. Mr. Nisbet's rates were never adopted either for Govt. or Inam lands.
