*Under these circumstances the Inam is confirmed to the parties in Col 16 for their lives – The TD already issued will be recalled & a fresh one issued in the unenfranchised form.

(Village Complete)

It appears from the Regr that the Inam should revert to Govt after the death of these two widows — vide Collrs order 11th Octr 1849 No 170, directing to resume it after their death because they are childless. I recommend it may confirmed to the present holders on ½ Assmt for 2 Rs as they are willing to enfranchise
