The weavers also appear to have a right to this Inam (Tape). There is sufficient reason to be believed, that this is more than 50 years standing. I think it to be right, that the Title Deed should be issued on 1/8 Duit Rent in the names of Tothappa Moraliar and others. They agree to the imposition of Duit Rent.

Case No. 2 This Inam (Tape) is used by the weavers, they also seem to have a right to it. This Inam is mentioned in the Pymaish Account as a Tape, and therefore it could be stated with certainty, that this Inam is more than 50 years standing. This Inam appears to be below 50 years standing. The Title Deed has to be issued in the names of Kakkalar Moraiappa Moraliar, Chethumbala Moraliar and others on 1/2 Duit Rent.

Case No. 1 Hassanam Patta of Arch Salugue  
There is sufficient reason to believe, that this Tape is more than 50 years standing. Prior to the attainment of Pymaish only, this Inam is entered as a Tape and the same is used by the weavers for their avocations. Subsequent to the attainment of Pymaish, tax has been levied upon these trees and the same was in the course of its collection. Moreover it appears, that upon the representation of the weavers, the Collector had exempted them from the levy of the tax. There is no reason to disbelieve the age of the Inam as more than 50 years. The Title Deed has to be issued in the names of Kakkalar Moraiappa Moraliar, Chethumbala Moraliar on 1/8 Duit rent. They agree to the imposition of Duit rent.
