Column 16 claims the entire Inam on the ground that the said was made over to him by the latter and the other heirs of the original claimant, his grandfather and the father of Gulam Mahomed Mohideen Sahib. But the transfer to the claimant is derived by the defendant's son Shari Haji Sahib who has affirmed for his father. The defendant states that the said holder is a slave of himself, and the garden to the claimant and by virtue of this contract the property is now in his hands. The plaintiff has no claimant to his favor the allegation of the defendant who has produced the original mahajars in support of the Inam and the original deeds of sale clearly the property passed into the family of the claimant from that of the former. I would therefore recommend the — Confirmation of the Inam in the names of all the heirs in one title deed subject to 2 Rent (14) annas to prevent the recurrence of a fresh claim from any other heirs or share holders who come to be the disappointed over distinct parts of the Gumbaz I have named in Column 16 the names of the other parties is reduced in order that the said may be added to the one already shown in title deed 10077.

Remarks: —

Can the further enquiry instituted by the Subdivisional Officer on the 4th November 1881 regarding the claim of 10 1/2 in Column 16 to the title of the Inam No 1 and 2 entered into a Register and by which 10 1/2 have 1.58 acres and 10 2 0.50 acres of this Inam making also further alterations in the Inam in case 10 5 10 3 and 4 having advised no claims to the Inam and 10 1/2 was in his Vakaltanama given to 10 2. Having referred only to the Inam in the Inam case 10 5 and the title Inam being in the enjoyment of 10 2, it seems unnecessary to take any notice of 10 3 and 4 who are stated to have no share in the Inam. In the title deed the names of 10 3 and 4 are then for struck out.
