This I saw appear.

No Aluminium under the head of Valign

or cornice but the cornice

of keeping assets, for which this appears to
have been originally granted, having been disintegrated
with the money fees ~~thereby attached~~, as the assumption
of the sovereignty by the ^{British} Gov^t, the holder was vis
allowed to enjoy the Union as personal - I therefore
recommenced its confirmation as such in 1/3 of
Sept. 1842
