General Remarks The appraisment entered in the Register is according to the assessed rates in operation in this District on the Post lands. They were introduced under orders of Court by the Hon. Attorney in 1826. These rates have invariably been applied to Sums which have marked to Court on Cases since the revision. The reduction was made on the next survey of appraisment subsequent to the deduction of the usual Exemption of 12½ P.C. The particulars are fully & at large in the General Report.

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some minor discoloration and small dark spots, characteristic of old paper. A faint horizontal line runs across the upper portion of the page, and a faint vertical line runs down the right side, possibly indicating a fold or a binding edge. There is a small, dark, irregular mark near the top right corner, which could be a stain or a piece of tape. The overall tone is warm and slightly yellowed.
