Sheet No 18 — Regr. No 23

Remarks. The above work has been in this Register is accordance with the revised rules in operation in the Salem District. The survey was introduced under orders of Government by the Bombay Act VII of 1865, but the above work was not completed before the introduction of the revised rules. The operation was made on the old survey, upon which subsequent additions and deductions of the usual amount of 12½ % have been made. The particulars are fully explained in the General Report.

To be confirmed to the present holders

To be confirmed to the present holders who agree to pay 1/8 Rent

In the Hospital of Tr. 29 the plaint is said to have been removed because the plaintiff was a "dacoit". It does not appear from the Revenue Records & Col. 12 that the service of dacoit is obligatory, it is apparently on hereditary tenure as a means for the support & medicine of the family — To be confirmed to the present holders who agree to pay 1/8 Rent

Free Revenue

Samuel 1

By the British Govt at two different times - the last of which was in 1821 are as follows -

The conditions of the grant according to the Collrs Patta dated the 20th Janry 1821

Janry 20th 1821 That an account station is to be provided to the Brahmin Travellers, a well sunk and a Tope planted -

2 That the Chowltry is to be kept in repair

3 A Servant is to be employed to supply good drinking water to Travellers -

4 In default of this the Inam will be forfeited -

There is no place for Brahmins in the Chowltry - He says he will build a separate one for them within a year -
