General Remarks

The Agreement entered into this 18th of October is according to the revised rates of interest in this Document on the Government bonds they were introduced under orders of Government in April 1878. These rates were in variable from April 1878 to January 1880 have been corrected to Government on 1st January 1880. The reduction was made on the 1st January 1880 and consequent to the deduction of the usual repayment of 10% per the particulars are fully explained in the General Reports.
