General Remark The Assessment entered in the Register is according to the revised rates in operation in this District on the Government Lands. They were introduced under orders of Government in Feby 1865. These rates have in variably been applied to Inams which have reverted to Government on Lapsed Enquiries & Resumptions. The reduction was made on the last Survey Assessment subsequent to the deduction of the usual royalty of 12½ %. The particulars are fully explained in the General Report.
