General Remarks

The assessment entered in this Register is according to the revised rates in operation in this District on the Govt lands. They were introduced under Orders of Govt. by Mr. Bunbury in 1867. These rates have invariably been applied to Inams which have reverted to Govt on lapse since the revision. The reduction was made on the net survey assessment subsequent to the deduction of the usual Seigniorage of 12½% for Kathcharee as fully explained in the General Report.
