General Remarks. The assessment entered in this Register is according to the annual rates in operation in this District on the poot lands. They were introduced under orders of Govt by Mr Hewston in Fl 1267. These rates invariably been applied to Inams which have now lost Govt on lapse since the revision. The reduction was made on the new survey assessment subsequent to the deduction of the usual Sayagat of 12½ P.C. The particulars are fully explained in the General Report.
