Register No. 114.

The agreement entered into this Register is according to the revised rates in operation in this District on the Government lands they were introduced under orders of Government by the Boarding in July 1885. These rates have in variously been applied to claims which have been referred to Government on behalf since the revision. The section was made on the survey agreement subsequent to the deduction of the usual 10 percent of 17 1/2. The particulars are fully explained in the General Report.
