General Remark. The assessment values in this Report is according to the assessed rates in operation in this District on the Southlands. They are introduced under value of Gold, by the Banking in 1847. These rates have invariably been applied to Cinnabar which have resulted to Gold on paper since the revision. The revision was made on the last survey assessment consequent to the devaluation of the metal revalued of 10 1/4%. The particulars are fully explained in the General Report.
