General Remarks

The Agreement entered in the Register is according to the revised rates in operation in this District on the Government lands they were in possession under orders of Government by 10th January 1873. These rates were invariable from 1861 to 1873 and in 1873 were revised. It has been suggested to Government to be applied to the Government lands. The reduction was made on the 1st January 1874 and is consequent to the reduction of the annual payment of 10% to 8% the particulars are fully explained in the General Report.
