General Remark. The assessment entered in this Register is according to the revised rates in operation in this District on the Government lands. They were introduced under orders of Government by Mr. Bamber in Fasly 1267. These rates have invariably been applied to ground which have reverted to Government on lapse since the Revision. The reduction in assessment was made on the last survey assessment subsequent to the deduction of the usual Nayagat of 12½ p.c. The particulars are fully explained in the General Report.
