the father of the party in taluk appeared at this office & claimed title deed for this land in behalf of his daughter. Representing that he filed a statement before the Tahsildar. The Tahsildar was of the opinion that though he filed a statement he never attended for inquiry & so nothing had been done. It does not appear that he attended before the Tahsildar even now. Under these circumstances the claim should be placed under attachment for default. Collector be informed accordingly.
