General Remarks

The Agreement entered in the Register is according to the revised rates in operation in this District on the Government lands. They were in fact under orders of Government by Mr. Bowdler in July 1837. These rates were invariable from 1837 to 1840 and in 1840 a new basis was started to Government on the basis of the reduction made on the 1st January 1840. It is to be regretted that the deduction of the usual payment of 1/2 p. p. the particulars are fully explained in the General Report.
