General Remark The assessment entered in this Register is according to the revised rates in operation in this District on the Government lands. They were introduced under the orders of Government by Mr Hanbury in F 1267. These rates have invariably been applied to Inams which have reverted to Government on lapses since the revision. The reduction was made on the net survey assessment subsequent to the deduction of the usual rayagat of 12½ P.C. The particulars are fully explained in the General Report.
