General Remark The Assessment entered in the Register is according to the revised rates in operation in this District on the Government lands. They were introduced under orders of Government by Mr Bambury in Fusly 1267. These rates have invariably been applied to Inams which have reverted to Government on lapses since the revision. The reduction was made on the nett Survey assessment subsequent to the deduction of the usual rayayet of 12½ per C. The particulars are fully explained in the General Report.
