2- This Village belongs to

was resumed in Fudis 12.58
and there are no accounts
of the Village, forthcoming
prior to that Fudis
3. Owing to the non-attendance
of the Swamdar, the Inam
Government lands in Fudis 12.77

was attached and incorporated with
and an Aigam Pattah issued in the name of Ramadivamairangar
for Fudis 12.78. On Sharapattah No 50, the Collector has on the
18th December 1869 ordered the Pattah to be cancelled and an
Inam Register prepared and submitted. The Tashildar's letter
No 628 of the 13th September 1871, on the Subject is herewith
submitted with its enclosures for reference.

4. One Candam and Simma Grounds presented a petition
to the late Ag. Collector Mr. Whitelock, claiming the Inam

and adding that Ramadivamairangar, the present Moniagar and Pattadar of the
land would not restore it to them. This petition was referred to the Subj on the 5th
December 1870 for enquiry and Report. The Tashildar has prepared a Register in the
names of the Petitioners and it is transmitted with this together with its covering
letter No 548 of the 25th August 1871 and its other accompaniments for reference.
The Village officers have in the "Shahal" recorded at the foot of the statement
presented by the Petitioners stated that the Poojah is being performed by one -
Coolandey. It further appears from Maniam Goomasath's deposition
that the Moniagar of the Village is the Trustee of the Pagoda. Owing to these
conflicting claims, I have omitted in book 16. the name of the individual
to be recognized as Trustee, and consider it proper to refer the several
claimants to assert their right in a Court of Justice.
