General Memorandum. This with 7 other villages formed a portion of the ~~portion of~~ [illegible] Jaghir, which was [illegible] to [illegible] Registered Inams. The survey & assessment of these villages were closed in Fasli 1260. For this & a few other villages a [illegible] was prepared. It is not quite complete, but contains some useful details.

Regr. No. 191.

Regr. No. 64

From the remarks on the Regr. of Pasumathur in this Taluq, it appears that a Regr. of Inams was prepared for all the Inams of Arulkonda Jagir in Fasli 1259 distinguishing old Inams of Fasli 1215 from the ~~[illegible]~~ subsequent ones — So there was doubt for this village

Does any account of Fasli 1260 gaded in Collr.'s office giving particulars regarding the age of the Inams. To decide the accounts of Fasli 1259 & 1260 for this village with the accounts very [illegible] available.
