His son is ^{now} appears to have been
originally engaged for the purpose of
teaching Latin - he does not
but a natural obligation
was shown - he has been
employed as kennel practically
because it has been ~~the~~ remains
in the family - for the purpose of getting
a list here and at the
at home - a total 24.

X In the Haupt account of
 of 1233 - the names Kana
 & Kanaheya was etc as
 were deceased & that none
 registered instead - here names
 the leaders deny adding
 any connection with this
 family - no such link exists
 in the Haupt account
 of 1255 X - the latter only
 & relationships in which - are all
 correct.

No 2 who is here struck off by Sept-60
is the ~~late~~ sister's son of Mr.
who it is asserted bought
her - He has had neither
right nor had any share
in the Sum - none of the account
containing his name - This
^{which} was improper & in Col. B.
by the late General Finney
