J. A. Fisher takes charge dated 3 Dec 1861. No. 70<sup>21</sup> ~~77~~ originally the result of his  
inquiry into the claim of aged Peter Fisher's man—  
also in his paper from John of N. arch. dated 17 April 1862 No 77 sending the  
office to the <sup>the</sup> ~~the~~ office of the office of 1218 <sup>27110</sup> ~~27110~~ which is related to  
land was given for the Indian which was taken up for the purpose  
of the insurance of R. B. of Yellow—

The land appears to have been originally occupied by Huron Indian tribes  
held by the State of the Libt. Decr. 1208 when it was taken up for  
improving the environs of the Libt. M. D. Capt. of Mason Riv. granted Agreement  
of Libt. The Office gave certificate land which from the field to 12 into  
Creek from the Corcoran in the Parishal Records of 1825, the land was  
appears to have been owned in its character the actual making of  
of land appears from the Nagawaka of the Village, to have taken place  
in March 1821 - In very near 50 years, it has since the Ref. & London, He & Co  
taken for further purposes, there has been rather some or any evidence of some  
evidence or rendered in connection with the certificate land which has been  
entirely has enjoyed as parcel personal - though there is no land or other document  
to show the exact origin of this land from

to show the exact origin of this Enim for  
the I think the circumstances of the case  
also fully justify our placing it the  
50<sup>th</sup> fold. I therefore concluded it sufficient  
to submit a bill.
