Remark. The Amildar complaining of the unjust valuation of the Inam the Pahlidar was called upon to enquire on the subject from his accts. 16 Sept 1861 of the extent of the Inam viz 4-6-12

Unjust deductions	3-1-8
Site of the Mosque	-0-7-12
Occupied by the tombs	0-12-4
Occupied by Inamdar Tope	0-15-4
	3-10-12
Given	-12-4

which last is all that is under dispute between the parties

The Tahsildar's report to G.S. of 2nd Aug 28 Aug 26 respecting the whole Inam at 3 Pucca Cawgs, it would amount to 3-12- & adding it to the 12 Cawgs under cultivation the whole may be taken at 15 Cawgs a considerable part of the Inam is Tamarind unserviceable, I think Rs 14 would be a fair valuation. If this is approved, Rs would be 7- & Pahlidar will be amended accordingly

Appd HMS 8/8/1867

Amended accordingly

At the request of Mahamed Khan, the names of Nos 2 & 3 are added in Col 6, they being his brothers' sons & Pahlidar to be sent for & amended accordingly
