19-10-100

1. In 1215 of 1259 was to keep & attach at the purchase of the land in consequence of the absence of registered man Govindadas

2. In 1215 was to recognize the appointment of a Sachinadas (since deceased) as a Bayiragi Manager of the matters during Govindadas absence. There is nobody who makes a claim for the management of the land

X who is responsible for the purchase of the land is now in the hands of the manager. It is not clear if the difference is to be made to the high court or to the Revenue

None of the Indians of this Village are omitted in the Register nor are any
of the Indians (which, having by reason of death, absence, poverty or
other Causes been abandoned should more properly become the property
of Government in default of heirs) clandestinely or unlawfully
transferred by false sale or other transaction concocted for the purpose

and the said Indians are to be taken care of and provided for by the Government
and the said Indians are to be taken care of and provided for by the Government
and the said Indians are to be taken care of and provided for by the Government
and the said Indians are to be taken care of and provided for by the Government

1860 June 10

For the said Indians

John W. Johnson
