One Kristhayan is claimed a part
of the land - as being the son of the late
of the present holder's husband -
He has had no enjoyment of any
share of the land - nor has
he in my opinion any right
to it -

This image shows a blank, aged, light brown page, likely an endpaper or flyleaf of a book. The paper has a textured, slightly mottled appearance with some creases and discoloration, characteristic of old paper. The left edge of the page shows the binding of the book, and the overall tone is a warm, yellowish-brown.
