General remark

The assessment entered in this Register is according to the revised rates in operation in this District on the Government lands. They were introduced under orders of Government by Mr. Bunbury in F1267. These rates have invariably been applied to Inams which have reverted to Government on lapse, ever since the revision. The reduction was made on the wet money assessment subsequent to the deduction of the usual rayaget of 12½ p%. The particulars are fully explained in General Report.
