It appears that during
of the part of Wakhaj
in a Pand. that was allowed
ion of a sum in every year
of 1/4 of the total assessment
lands as per Col. 8 of this
for having brought the village
good condition.

The Pymais & village and
accounts show that the
frontier and his descendants
this remission when the
was attached to Chinglypat
and after its transfer
district. The present
dass say that they have
launched or fronts with them
claim the remission nevertheless
ground of long usage and
in the earliest accounts.

of Consultation No 249 dated 11th March 1880 (Copy enclosed) it is ruled that the Rules respecting Incans of the 27th July 1848 should be applied to all the Incans held by individuals also limiting them to the families of the then incumbents. The Incan in question is one of those referred to in Statement A mentioned in para 6 of the Board's letter referred to in the above Minutes of Consultation (the extract of the statement is herewith sent). Mrs Incan has been in the continuous enjoyment of the original grantee and his descendants and being a personal grant it may be confirmed & continued to the present holders mentioned in Col: 16 herewith. A sum of No 163-13- - being the ~~of~~ of No 191-2- - which is the total assessment of the Incan lands shown in Column 5 being fixed as Genl. Rent.

As the Enam is not subject to the performance of any condition and the rate of Quit rent ^{which is} proposed to be continued is very high, the Enam may be enfranchised or converted into a free hold in the names of the present holders with powers of alienation by gift sale adoption or otherwise subject to the payment of the Annual Quit rent as above.

Pariahs. Here
 that the said Rao is paid by the Mirasidars is an admitted fact. This
 in itself is much, in my opinion, is sufficient to confirm the claim
 in the name of the Mirasidars. Because the low social status of
 the Pariahs and their ignorance and their subordinate position to
 the Mirasidars of the village naturally gave ample scope for high handed
 -ness on the part of the Mirasidars and gradually to trench upon
 the legal rights of the Pariahs, their servants. If the claim was made
 to the Mirasidars, there was reason for the claim being styled as
 "Pariar Muthuvada" Mirasidars in the Accounts. The duty in all the
 Accounts falling to the Pariahs, I recommended the claim may be ac-
 -quired in the name of the Pariahs, whereas may be the actual
 possessors of the claim now at an option of pick rent under Rule 5
 as follows. 1/4 of the rent Rs 67.8
