

[illegible]

The document entered in the Register is according to the recorded vote in a resolution in the District on the Government's behalf. They were introduced under orders of Government by 21. The only one in July, 1857. These votes have invariably been applied to names which have been referred to Government on topics since the decision. The resolution was made on the 10th of January, 1858, subsequent to the destruction of the usual subject of 27. R. The particulars are fully explained in the General Report.
