Sagoyah land had been conveyed to

These two plots of ground are situated as per record - Mamunthoor Surapadi or 1773 and also in the Ryotwari accounts of 1823.

- Mamunthoor Surapadi, 1823
- + Surapadi, 1823
- Mamunthoor
- + Mamunthoor

The names of the original members of the family is not known. These plots of ground are situated as per record - Mamunthoor in the accounts of 1823.

The second 'desi' name is not entered. It appears that the present holder's ancestors performed the duties regularly.

• one son - one daughter and a wife
+ a wife

It appears from records that these two persons have occupied the Mamunthoor for a long time and their ancestors also. It seems therefore proper that the Mamunthoor should be registered in the names of both individuals.
