General Remarks

The assessment entered in the Register is according to the revised rates in operation in this District on the Government lands [illegible] introduced under the orders of Government by Mr Bunbury in Fusly 1267. These rates have invariably been applied to Inams which have reverted to Government on lapses since the revision. The reduction was made on the net survey assessment subsequent to the deduction of the usual rayoyet of 12 1/2 P.C. The particulars are fully explained in the General Report.
