In the Account of F1254 it is mentioned the Varadaraju being too old for Service his Son Ramiraju (No 1) renders Service - Varadaraju died before F1266.

As it appears clearly from the Accounts that the Kallubadi was rendered Service before F 1266 was Ramiraju but not his father Varadaraju who died before that of 1266 - I would recommend that this may be confirmed to the present holders on ½ Assessment for Enfranchisement.
