Malaja Taluk North Arcot District

The agreement entered in this Register is according to the revised rates in operation in this District on Gault lands. They were introduced under orders of Court by Mr. Brambling in 1834 by the rates here annexed. I have applied to various persons who have resided in Gault, or labours since the revision. The revision was made on the last survey of the agreement subsequent to the deduction of the usual savings of 1/10% all particulars are fully explained in the General Report.
