The assessment entered in this Register is according to the revised rates in operation in the District on the Government lands. They were introduced under orders of Government by Mr. Banbury in Jusly 1267. These rates have invariably been applied to Inams which have reverted to Government on lapses, since the revision. The reduction was made on the net survey assessment subsequent to the deduction of the usual reyayet of 12½%. The particulars are fully explained in the General Report.
