

General Remark

The apportionment entered in this Register is according to the censused population in this District on the 1st of June 1850. They were introduced under order of Government by A. B. Thompson on Sunday 26th June 1850. The rates have in variously been applied to names which have resided in Government land before and the revision the reduction made on the 1st of June 1850 is apportioned subsequent to the reduction of the usual rental of 10% &c. The particulars are fully explained in the General Reports.
